SkinNeedling-\$350 call microneedling or collagen induction therapy Skin Needling is a new technology that has been derivefrom ancient acupuncture techniques combinedwith modern Mesotherapy practice and cosmetic plastics medicine. A roller is used with lengths of .75ml to 2.0 long depending on skin concern. This treatment encourages the skins own natural response, creating collage, which plumps up skin.(skin is numbed prior to treatment)Great for scarring, Wrinkles, Open pores, Pigmentation. (8 treatment required, 6-8 weeks apart)

Facial

Ultrasonic Delivery System- infuses vitamin C and A into the skin, the deep vitamin infusion assist in lightening abnormal skin pigmentation and helps promote the collagen which smoothes the skin and diminishes the appearance of the fine lines and wrinkles.
1/2hr \$70

ENZYME PEELING FACIAL-this facial especially for congested impure skins, a course of 6 weekly peel will be recommended. For dry, sun damaged skin, weekly treatments are again recommended to soften the skin and to allow easier penetration of the products. This treatment is ideal for comedones which normally would be hard to extract.
1/2hr \$70

COLLAGEN REGENERATIVE FACIAL-the supreme performance of the collagen fleece mask will improve the elasticity, restructure damaged skins, smooth lines and wrinkles, smooth and hydrate. For an incredible and immediate "wow-result"!
1hr \$120

OXYGEN VITAL COMPLEX-An oxygenating facial for skin with impaired cellular function needing oxygenation, includes a special mask preparation to soothe irritated and sensitive skin to reinforce the skin's immune system. This steady supply of oxygen helps to strengthen the skin functions.
1hr \$120

PHYTO RESTORE-MATURE SKIN-this is a revitalizing, firming treatment suitable for mature, sun damaged and prematurely aged skins. It combines exfoliation of dead skin cells with deep stimulation and reinvigorates dull, lifeless and stressed skins.
1hr \$150

MICRODERMABRASION FACIAL 1/2hr \$70, 1hr \$120
Microdermabrasion is a gentle and safe non-invasive treatment for all skin types that results in smooth, fresh, cleaner skin. Also improves the appearance of acne, congestion, enlarged pores, fine lines and wrinkles. For best results a course of 6 treatments is recommended.
